

Patent Pending

### Reduced Deck Mount™ System

Easy installation around raised walls, water features, spas and other deck accessories. This system is designed to maintain a tight cover fit and is perfect for narrow pool decks. All Stainless Steel hardware with brass anchors. Patent Pending Design.

### Replaceable perimeter pad

To extend the life of your cover, order your cover with our **NEW Replaceable Perimeter Pad**. A velcro application allows the durable padding to be removed for easy, convenient replacement. Protect your cover and extend its life simply by using the NEW Replaceable Perimeter Pad.

### Solid Safety Cover with EASE-A-DRAIN™

1/4" drain holes are located every 6" in reinforced vinyl, down the center of the cover. Beneath is a 12" wide mesh drain filter panel designed for easy cleaning. No other manufacturer offers this feature.

### Custom heavy duty hardware for a tighter fit.

Heavy duty stainless steel single-coil springs, with D-Rings for ease of installation and adjustment. They have a lower profile – so covers lay flat and fit tight – whatever the shape of the pool. Standard on all Performance Safety Covers.

## The PERFORMANCE difference:

- Double decker edge
- Coping anti-rub strips
- UV resistant material
- Bio-Shade™ technology
- Solid cover with INVIS-A-DRAIN™
- 1" polypropylene webbing
- Interlocked, double overlap seams
- Heavy duty stainless steel single-coil low profile springs with "D-Ring". Standard on all Performance Safety Covers
- Overlap "D-Ring" provides superior strength, longevity, and ease of installation
- Exceeds ASTM standards
- Custom non-corrosive hardware and brass anchors
- 15-Year Warranty

**15-YEAR WARRANTY**

### SAFETY IS EVERYONE'S RESPONSIBILITY.

As much as we try to build in every possible safety measure, it is the consumer purchaser's responsibility to follow all safety instructions provided with the Performance Safety Cover, and to educate all users of the product as to its safe and proper use. Covers depicted are representative of the actual material; however, variations in colour and shading may occur.

The Warranty information provided represents a brief synopsis of the full written warranties for the products described. We stand behind every product we produce pursuant to those representations which are stated in our written warranty only.

NOTICE: Your dealer/builder/contractor is an independent business person. We cannot and do not accept any responsibility for any representations, statements or contracts made by any dealer/builder/contractor.

All cover samples are for illustration purposes only. The manufacturer reserves the right to change cover selections without notice. Covers depicted are representative of the actual material; however, variations in colour and shading may occur.

### IMPORTANT!

"No Diving" signage is a component of the swimming pool and must be installed on the coping around the perimeter of your pool. "Caution" signage also must be affixed to the steps.

This Area Warning Sign must be permanently and Conspicuously Affixed in the pool area so it can be easily seen by everyone using the Pool.

### Make Safety A Priority!

Remember, while covers are designed and used for safety and maintenance devices, it is recommended that covers are not walked on for any reason.

# PERFORMANCE SAFETY COVERS

*We put safety first!*

# PROTECT your family and your investment!

**We designed the Performance Safety Cover™ to protect both your pool and your family. That's because we take safety seriously.**

All our pool covers are manufactured to your specific pool size and shape. We use only the highest quality raw materials and our state-of-the-art production methods to guarantee our strongest cover yet.

In addition to its exceptional strength, our safety covers not only allow for a good looking, clean outline of your pool, but more importantly, when properly installed, the Performance Safety Cover™ will help prevent accidental intrusion by children and pets. And other unsuspected intruders...

## YOU WANT OPTIONS? WE'VE GOT PLENTY TO OFFER!

**Choose the colour that best blends with your backyard! Or not, it's up to you...**

The choice is yours. It REALLY is. We have several colours to offer as well as different types of materials. You don't think you'll need the maximum shade protection? Don't worry, we also offer a lighter weight cover and it still comes with our limited 15-year warranty.

### ProTex™

98%  
SHADE

The benefits of a solid cover, with the ease and handling of a mesh.

The ProTex safety cover material. Manufactured with a light and tight woven material, ProTex safety covers are designed to allow water through for drainage and safety but keep sunlight and debris out for ease of maintenance and peace of mind.

Available in green only.  
US Patent 6,886,187-98

### LitePro

Lightweight LitePro safety covers are about half the weight of our standard solid cover.

LitePro solid safety covers will block out all of the sun's rays, yet the new lightweight material allows for easy installation and removal.

Available in green and blue.

### Bio-Shade™

NEW  
COLOUR

NEW  
COLOUR

A customized engineered mesh designed to inhibit the growth of algae in your pool.

Durable long lasting polypropylene mesh material. No more standing water in the springtime for insects to breed, our mesh material allows water and snow to drain right through. Built-in durability and strength will protect your family and your investment.

Available in green, blue, tan and grey.

### FULL-WEIGHT SOLID

Heavy-duty solid safety covers stand up to whatever mother nature can dish out.

The full-weight solid safety cover material will completely block out all the sun's rays. One of the industry's most durable covers comes standard with the INVIS-A-DRAIN™ system, keeping all the debris and sun's rays out, allowing only water to pass into your pool.

Available in green and blue.
